Y 000	Initial Comments This Statement of Deficiencies was generated as a result of an annual State Licensure survey conducted in your facility on 9/10/08. This State Licensure survey was conducted by the authority of NRS 449.150, Powers of the Health Division. The facility is licensed for six Residential Facility for Group beds for elderly and disabled persons and/or persons with mental illnesses, one Category I resident and five Category II residents. The census at the time of the survey was five. Five resident files were reviewed and three employee files were reviewed. One discharged resident file was reviewed. The following deficiencies were identified:	Y 000		
Y 151 SS=C	449.204(1)(b) Insurance NAC 449.204 1. A residential facility shall: (b) Maintain a contract of insurance for protection against liability to third persons in amounts appropriate for the protection of residents, employees, volunteers and visitors to the facility. This Regulation is not met as evidenced by: Based on record review on 9/10/08, the administrator did not maintain a contract of insurance for protection against liability to third persons. Findings include: There was no current liability insurance policy in	Y 151	<i>pls. see attach copy of 10/30/08 liability insurance on page 1. The administrator is responsible that copy of liability insurance should be on file, monitored and reviewed every 6 months for compliance.</i>

Y 878	Continued From page 3 September and in August. The Senna medication on site, filled on 7/31/08, indicated three tablets were to be administered twice a day. There had been no change to the MAR in July and a physician's order was not in the file. Resident #3 - The September 2008 MAR was reviewed for the resident. The label on the bottle of Lorazepam indicated that 1.0 mg was to be taken every eight hours and every two hours as needed (PRN); however, the MAR did not reflect the PRN portion of the prescription. Resident #4 - The September 2008 MAR was reviewed. The MAR indicated that Temazepam was to be given at 8:00PM; on 9/10/08, however, Employee #3, initialed that it had been given to the resident in the morning. Resident #5 - The September 2008 MAR was reviewed. Lisinopril was listed on the MAR but had not been initialed by the caregiver for the month of September. Employee #3 stated that she had given Lisinopril to the resident daily but had not recorded that she had done so on the MAR. Severity: 2 Scope: 3	Y 878	<i>The administrator is responsible that all medications order by the physician should be followed as prescribed. Record any changes, initialed in the MAR by the employees and will monitor carefully for compliance</i>		
Y 885 SS=D	449.2742(9) Medication / Destruction NAC 449.2742 9. If the medication of a resident is discontinued, the expiration date of the medication of a resident has passed, or a resident who has been discharged from the facility does not claim the medication, an employee of a residential facility shall destroy the medication, by an acceptable method of destruction, in the presence of a witness and note the destruction of the	Y 885
